PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. November 10, 1987.*
2. *Ms Bryden—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. November 10, 1987.*
4. *Mr Morin-Strom—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. November 18, 1987.*
9. *Mr Wildman—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. December 8, 1987.*
12. *Mr Runciman—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. December 15, 1987.*
13. *Mr Sterling—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and*

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*. An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

44. *Mrs O'Neill (Ottawa-Rideau)*—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace

 46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
 47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
44. *Mrs O'Neill (Ottawa-Rideau)*—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region;

and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region. *October 18, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*
 46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
 47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan—Resolution—*That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson—Resolution—*That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
44. *Mrs O'Neill (Ottawa-Rideau)—Resolution—*That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region;

and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region. *October 18, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson (Wellington)*—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon (York Mills)*—Resolution—That, this Legislature condemns the Federal Government for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
44. *Mrs O'Neill* (Ottawa-Rideau)—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region;

and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region. *October 18, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson* (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon* (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*

50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

Second Reading Bill 89, An Act requiring municipalities to establish Programs for the Recycling of Garbage. *Mrs Marland.*

Ballot Item No. 37—*To be debated on Thursday, November 3, 1988.*

Mrs O'Neill (Ottawa-Rideau)—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region; and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region.

Ballot Item No. 38—*To be debated on Thursday, November 3, 1988.*

Second Reading Bill 129, An Act to regulate the Care of Animals kept for Exhibition or Entertainment. *Mr Philip (Etobicoke-Rexdale).*

Ballot Item No. 39—*To be debated on Thursday, November 10, 1988.*

Second Reading Bill 157, An Act to authorize Municipalities to pass By-laws respecting smoking in the Workplace and in Enclosed Public Places. *Mr Sterling.*

Ballot Item No. 40—*To be debated on Thursday, November 10, 1988.*

Mr Nixon (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock.

Ballot Item No. 41—*To be debated on Thursday, November 17, 1988.*

Mr Pouliot—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities inter-

ested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms.

Ballot Item No. 42—*To be debated on Thursday, November 17, 1988.*

Mr Johnson (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86).

Ballot Item No. 46—*To be debated on Thursday, December 1, 1988.*

Mr Hampton—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*

9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the lessor for lessor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the lessor and which would, at the end of the lease period, recompense the lessor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the lessor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

44. *Mrs O'Neill (Ottawa-Rideau)*—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region;

and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region. *October 18, 1988.*

PRIVATE MEMBERS' BUSINESS TO BE DEBATED

(Precedence in accordance with the Standing Order 71 (d).)

Ballot Items No. 35 and 36—*Debated October 27, 1988.*

Ballot Item No. 37—*To be debated on Thursday, November 3, 1988.*

Mrs O'Neill (Ottawa-Rideau)—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region; and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region.

Ballot Item No. 38—*To be debated on Thursday, November 3, 1988.*

Second Reading Bill 129, An Act to regulate the Care of Animals kept for Exhibition or Entertainment. *Mr Philip (Etobicoke-Rexdale).*

Ballot Item No. 39—*To be debated on Thursday, November 10, 1988.*

Second Reading Bill 157, An Act to authorize Municipalities to pass By-laws respecting smoking in the Workplace and in Enclosed Public Places. *Mr Sterling.*

Ballot Item No. 40—*To be debated on Thursday, November 10, 1988.*

Mr Nixon (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock.

Ballot Item No. 41—*To be debated on Thursday, November 17, 1988.*

Mr Pouliot—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms.

Ballot Item No. 42—*To be debated on Thursday, November 17, 1988.*

Mr Johnson (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86).

Ballot Item No. 46—*To be debated on Thursday, December 1, 1988.*

Mr Hampton—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
-

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative. Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
44. *Mrs O'Neill (Ottawa-Rideau)*—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region;

and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region. *October 18, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson* (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon* (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*

50. *Mr Pouliot—Resolution—*That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the lessor for lessor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the lessor and which would, at the end of the lease period, recompense the lessor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the lessor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
44. *Mrs O'Neill (Ottawa-Rideau)*—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region;

and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region. *October 18, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson* (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon* (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*

50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

Mr Nixon (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock.

Ballot Item No. 41—*To be debated on Thursday, November 17, 1988.*

Mr Pouliot—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms.

Ballot Item No. 42—*To be debated on Thursday, November 17, 1988.*

Mr Johnson (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the

losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86).

Ballot Item No. 46—*To be debated on Thursday, December 1, 1988.*

Mr Hampton—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
-

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
44. *Mrs O'Neill (Ottawa-Rideau)*—Resolution—That, in the opinion of this House, the issue of the location for the new National Space Agency has become unnecessarily divisive between provinces; that such initiatives should be founded on existing strengths, recognizing that the aerospace industry in Canada is predominantly shared between Ontario and Quebec and the administrative functions based in Ottawa/Hull; that therefore, the logical location for the Space Agency is in the National Capital Region;

and that the Government of Canada should announce forthwith its intention to establish the Agency in the Capital Region. *October 18, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*
46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson (Wellington)*—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon (York Mills)*—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*

50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

GOVERNMENT MOTION

-

MOTION OF NON-CONFIDENCE UNDER STANDING
ORDER 70 (a)

3. *Mr Rae (York South)*—Notice—That the Government lacks the confidence of this House because of its abject failure to deliver on its six-point promise during the 1987 election campaign that if certain conditions were not met on the Canada-U.S. free trade negotiations there would be “no deal”, even though none of those conditions were met; and because the three so-called anti-free trade bills now before this House—Bills 147, 168, 175—add nothing to the ability of the Government of Ontario to resist, oppose or differ from the provisions of the Mulroney trade deal, in the interest of the ordinary working people of the province. *November 7, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
44. *Debated November 3, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges

the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson (Wellington)*—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon (York Mills)*—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the

value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

GOVERNMENT MOTION

-

MOTION OF NON-CONFIDENCE UNDER STANDING
ORDER 70 (a)

3. *Mr Rae (York South)—Notice—That the Government lacks the confidence of this House because of its abject failure to deliver on its six-point promise during the 1987 election campaign that if certain conditions were not met on the Canada-U.S. free trade negotiations there would be “no deal”, even though none of those conditions were met; and because the three so-called anti-free trade bills now before this House—Bills 147, 168, 175—add nothing to the ability of the Government of Ontario to resist, oppose or differ from the provisions of the Mulroney trade deal, in the interest of the ordinary working people of the province. November 7, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the lessor for lessor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the lessor and which would, at the end of the lease period, recompense the lessor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the lessor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson (Wellington)*—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon (York Mills)*—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

MOTION OF NON-CONFIDENCE UNDER STANDING ORDER 70 (a)

3. *Debated November 8, 1988.*
-

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*

30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*

35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

49. *Mr Nixon* (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
-

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson* (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Mr Nixon* (York Mills)—Resolution—That, in the opinion of this House, the Federal Government should be condemned for its inadequate housing policy and its failure to cooperate with other levels of government in the production and preservation of housing stock. *October 26, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*

51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development. *November 9, 1988.*

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the lessor for lessor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the lessor and which would, at the end of the lease period, recompense the lessor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the lessor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson* (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
49. *Debated November 10, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*
51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working

partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development. *November 9, 1988.*

PRIVATE MEMBERS' BUSINESS TO BE DEBATED

(Precedence in accordance with the Standing Order 71 (d).)

Ballot Items Number 39 and 40. *Debated November 10, 1988.*

Ballot Item No. 41—*To be debated on Thursday, November 17, 1988.*

Mr Pouliot—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms.

Ballot Item No. 42—*To be debated on Thursday, November 17, 1988.*

Mr Johnson (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86).

Ballot Item No. 43—*To be debated on Thursday, November 24, 1988.*

Mr McClelland—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development.

Ballot Item No. 44—*To be debated on Thursday, November 24, 1988.*

Second Reading Bill 184, An Act to amend the Ontario Energy Board Act.
Mr Charlton.

Ballot Item No. 46—*To be debated on Thursday, December 1, 1988.*

Mr Hampton—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should con-

demn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.

Ballot Item No. 49—*To be debated on Thursday, December 15, 1988.*

Second Reading Bill 181, An Act to amend the Legislative Assembly Act.

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
-

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*

28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*

30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*

35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*

36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the lessor for lessor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the lessor and which would, at the end of the lease period, recompense the lessor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the lessor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson (Wellington)*—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*
51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-

governmental voluntary agencies involved in international relief and development. *November 9, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
-

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*

28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*

30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*

35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*

36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson (Wellington)*—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*
51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-

governmental voluntary agencies involved in international relief and development. *November 9, 1988.*

(Precedence in accordance with the Standing Order 71 (d).)

Ballot Item No. 41—*To be debated on Thursday, November 17, 1988.*

Mr Pouliot—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms.

Ballot Item No. 42—*To be debated on Thursday, November 17, 1988.*

Mr Johnson (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86).

Ballot Item No. 43—*To be debated on Thursday, November 24, 1988.*

Mr McClelland—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development.

Ballot Item No. 44—*To be debated on Thursday, November 24, 1988.*

Second Reading Bill 184, An Act to amend the Ontario Energy Board Act.
Mr Charlton.

Ballot Item No. 46—*To be debated on Thursday, December 1, 1988.*

Mr Hampton—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern

Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.

Ballot Item No. 49—*To be debated on Thursday, December 15, 1988.*

Second Reading Bill 181, An Act to amend the Legislative Assembly Act.
Mr Epp.

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

- 38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
- 39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*
48. *Mr Johnson* (Wellington)—Resolution—That, in the opinion of this House, the Attorney General should review the Compensation for Victims of Crime Act to determine whether that legislation is adequate to meet the needs and redress the losses of victims. Such a review should take into account recommendations made by the Standing Committee on the Ombudsman (Sixteenth Report 1988); the Standing Committee on Procedural Affairs (Report on Agencies, Boards and Commissions No. 7—Dec. 1983); and the areas identified by the past Chairman of the Criminal Injuries Compensation Board as requiring special attention, (Board's Seventeenth Report 1985-86). *October 26, 1988.*
50. *Mr Pouliot*—Resolution—That, in the opinion of this House, the Ministry of Natural Resources, with the support and expertise of the Ministry of Northern Development, the Ministry of Mines and the Ministry of Industry, Trade and Technology should enter into agreements with municipalities for the purpose of setting up Community Based Resource Authorities which would be given the right and responsibility of planning and managing these resources for the benefit of the resource itself as well as the benefit of local economies, and that the Government of Ontario, with Federal assistance, should make available to communities interested and wishing to set up such an Authority, sufficient funding to enable them to enhance the value and maintain the viability of the growing forest by those who have a greater stake in its future than those who make the decisions in distant boardrooms. *October 27, 1988.*
51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-
